### What is included in the scholarship?

Conference registration, one round trip travel to and from the conference site, hotel accommodation for the travel dates as communicated directly with accepted scholars, and a \$100 USD stipend for miscellaneous travel costs. Please refrain from making travel and/or hotel arrangements on your own, as this is not a part of the reimbursement package.

### Eligibility

While all qualified industry professionals and students are able to apply, we've designed our North American program to expose career opportunities to those who identify as historically excluded in tech. This includes those who identify as Women, Black/African American/Caribbean/WestIndies, Hispanic/Latinx, persons with disabilities, veterans, and Native American/First Nations.

In order to apply for the North America Google Conference Scholarship, you must fulfill the following eligibility requirements:

- Be at least eighteen (18) years of age at the time of application;
- Be a University Student or a technology industry professional\*;
- Be a citizen, permanent resident of, or currently studying in the US, Canada, or Mexico
